

BROWN UNIVERSITY

RAVE GUARDIAN APP

EMERGENCY CALL WITH LOCATION SHARING

One tap from within the app connects you directly to DPSEM and automatically shares your real-time location for faster response.

TEXT WITH DPSEM

Not safe to talk? A two-way text feature that allows users to send anonymous tips to DPSEM and to get a response.

GUARDIAN MODE (NEVER WALK ALONE)

Start a safety timer when traveling, assign trusted guardians, add session notes, and receive automated check-ins. If the timer expires, guardians or Public Safety can be notified.

ONE-TAP SAFETY RESOURCES

Quick access to critical support services and University resources, including the 24-hour Sexual Assault Response Line and Counseling and Psychological Services (CAPS)
